Eagle Real Estate Group recently sold out its 560-unit Sedona condominium complex at 9000 S. Las Vegas Blvd. The firm purchased the 26.2-acre apartment community, named Camden Harbor, in January 2005. It completed \$1.4 million in conversion upgrades. The project, which consists of 72 two-story buildings, earned \$122.681 million for a 135 percent cash return on investment.
